

Experiential Learning Theory Bibliography

**Volume 2
2006-2010**

Prepared by Alice Kolb & David Kolb

The bibliography contains 668 references on experiential learning theory from 2006-2010. The bibliography is in PDF and formatted in APA style. Many research studies listed in the bibliography can be accessed through research databases such as: Web of Science Citation Index, MEDLINE, Education Abstract, Dissertation Abstract, ERIC Document, Google Scholar and others. For online access to the bibliography, the Learning Style Inventory and other experiential learning resources go to www.learningfromexperience.com Please send any additions and corrections to dak5@msn.com Revised 1/12.
